Achievement Award Committee

SUBJECT: Achievement Award Score W9QW  
For period January 1 1959 to December 31, 1959

Gentlemen:

The attached is a summary of the points accrued by W9QW in the Achievement Award Activity Classifications as set down by the awards committee's general rules. No attempt has been made toward modesty, since there are no points allowed in this category.

Substantiation of the majority of the score claimed, is a matter of record. In cases of questionable claims, substantiation will be submitted upon request.
